

World Squash Federation 39th Annual General Meeting & Conference

13th – 14th November 2009

Subang Jaya, Malaysia

THE CONFERENCE

The WSF is proud to present its 39th Annual General Meeting and Conference in Subang Jaya, Malaysia. Malaysia is truly Asia and is an amazing cultural melting pot. Here, you will wander through communities of Chinese, Malay, South Indian, East Malaysian ethnic groups, Thai, Indonesian, Sikh and a huge community of expats. Each community offering its own festivals, food, music, art and fashion while influencing each other's cultures.

Malaysia's capital city, Kuala Lumpur, is just a 20 minutes drive from Subang Jaya. It has a lively nightlife scene and a fascinating art and performance culture, which blends contemporary and traditional styles from many backgrounds. There is the widest range of sporting activities available with state-of-the-art facilities to impress any sporting enthusiast. The architecture is somewhat eccentric and is certainly unique, from hundred year old mansions to awe-inspiring sky scrapers, and all within metres of each other. Treat your taste-buds to Malaysia's extremely varied cuisine, which is certainly a tasty adventure in itself! Above all else Malaysia is a shopping haven, offering everything from street side trinkets to haute couture.

One of Malaysia's key attractions is its extreme contrasts. Towering skyscrapers look down upon wooden houses built on stilts, and five-star hotels sit several metres away from ancient reefs.

The WSF Conference and AGM have been planned to allow delegates, and their partners, the opportunity to mix business with pleasure. On Friday 13th November there will be a full day Conference, which will include lunch, followed by a Welcome Cocktail Reception in the evening. The AGM on Saturday 14th is planned to finish immediately following lunch, allowing delegates the opportunity to explore the city in the afternoon or just relax. An official AGM Dinner will be held that evening, before delegates depart on Sunday or stay to explore the area at their leisure.
